Dear VSP Supporter,

I am excited to share that the 2018 Virginia Society for Pathology Annual Meeting will take place on Saturday, December 1st at the Omni Hotel Richmond. We found this to be a great location for our attendees last year therefore we have decided to return this December. It's because of organizations like yours that we are able to continue the growth of our society and offer such a robust educational program.

You will have an opportunity to exhibit your products/services the day of the meeting and interact with physicians, fellows and residents during breakouts and lunch. We are excited to let you know that all companies will be displayed in our breakout area which overlooks the beautiful James Center. The VSP is accredited by the College of American Pathologists to provide continuing medical education for physicians and will be providing CME credits for this program.

Our signature sponsorship of \$1000 will provide you with table space, recognition in our program and lunch. In addition to exhibiting at the meeting, there is an opportunity to host a dinner for attendees Friday evening, November 30th.

This year, we are providing you the opportunity to register and pay online. You also have the option to mail a check. Exhibitor checks should be made payable to Virginia Society for Pathology and mailed to:

Virginia Society for Pathology
Attn: Julie Larro
13444 Welby Mews
Midlothian, VA 23113

For your reference, the Tax ID for the Society is: #54-6054436.

A limited amount of exhibitor space is available so we encourage you to reserve your space now. If you have any questions or would be interested in sponsoring the Friday evening dinner, please call Julie Larro at 804-454-5266 or email vapathology@gmail.com. The VSP greatly appreciates your support of the meeting and we look forward to seeing you in December!

Sincerely,

Matthew Foster, MD
President
Virginia Society for Pathology
